

What are we going to cover today?

Going, Going, GST Gone

Selling a Going Concern With a Property

Fehily Advisory

What are we going to cover today?

The requirements of the GST-free Going Concern provision

section 38-325 of the GST Act

Who could or might decide to 'elect' to adopt this optional GST-free classification, some of the consequences of doing so and what could go wrong?

Supplying what you use in conducting an 'enterprise' that's:

- conducted from real property
- only comprises a property
- a property development

DON'T TAKE CHANCES BY ROLLING THE DICE ON GST
